### **Meeting Minutes Comments:**

We have a two year supply of awards.

Rather than schedule 6 race days and a make-up day this season we have scheduled 7 race days. Unlike races 1-6, the 7<sup>th</sup> race day will include both a slalom and giant slalom race.

Season scoring will continue to use the best of 6 races method, of which no more than 4 races can be of the same event.

We will continue the practice of running two races of the same event each race day. Four runs of a either GS or SL. This reduces our workload and allows us to complete our races more quickly.

The year-end banquet will be planned in the future.

All 2019 races will again be run as Council Races utilizing a commitment to help form.

Discounts available: Laacke and Joys is offering a 10% discount on boots, poles, goggles, and a 20% discount on clothing to MMSC members.

### **Class Realignment:**

The classes have been realigned combining both men and women in the same class. There will no longer be separate men's and women's classes.

### **Financing:**

All fees will remain the same as last year;

Individual club member fees will remain unchanged at \$50
