

**METROPOLITAN MILWAUKEE SKI COUNCIL SENIOR RACING  
 COMMITMENT TO HELP RUN SKI RACES  
 2018-2019 SKI RACE SEASON**

**This form must be completed by all racers**, except Temporary racers, and on file with MMSCSR prior to participation in any MMSCSR ski race. Racers signing up at a ski race as a new racer must submit this form before their next race.

To compensate for the growing differences in team sizes, ski races will no longer be the responsibility of individual clubs. All races will be treated as Council Races. Each racer is being asked to indicate 3 or more of the 7 race dates that they would be willing to help at from which they will be asked by email the week prior to commit to **one** date. If we are short on help we may contact you regarding a second date.

Please indicate **all** the types of help you are capable of doing. Multiple choices will be helpful for making assignments, and you'll only be assigned to one task. Try to include Course Helper if you are physically capable so less demanding help choices are available for those that need them. Course Help isn't really that hard. The poles will be carried up for you if you want, and you only have to drag the bagged poles on the snow for the course setter to place in the snow.

**CIRCLE 3 or more of your available race dates and all types of help you are capable of.** You will be assigned to one, possibly two dates, **one** task. You will be contacted the week prior and asked to respond by email to commit to your date to help and one of your chosen tasks.

You may volunteer to commit to do any of the above tasks for **every race date**. Some racers have committed to other tasks not listed for every race. We also have people whole or partially compensated, when possible, with lift tickets to be starters and timers. Please contact Al Lemke if you are interested in those options or have questions about this form or what any help position involves. **Email your choices to me, or mail this form and your waiver to your club chairman.** [aklemke2993@gmail.com](mailto:aklemke2993@gmail.com) 414 688 2938
