Sun	Feb 14	10:30	Make-up		Sunburst
F,S,Sun	Feb 19,20,21		Midwest Masters		Granite Peak

*CMSC run race not counting in our season standing

Sunburst races start at 10:30am. ALL others start at 10:00am

The only change to events would be if it was necessary to attempt to equalize the number of SL and GS events due to cancelations. Unlike last season there will be a make-up race if needed.

Practice will be held at Little Switzerland on Wednesday nights from 7:00 to 9:00 pm. If there is a conflict with High School racing on a night or two, we will try to practice on Tuesday, or possibly Wednesday on the back side, or possibly Wednesday at The Rock (old Crystal Ridge) which is owned by Switz.

MMSCSR will also practice at Sunburst on Friday nights from 7:00 to 9:00.

E-mail updates regarding the first practices of the season, starting time, date changes, or any cancellations will be sent out.

It's likely too early for Slalom training before the January 3 race date. We usually are not allowed to practice during the holiday period. If you have a doubt about a practice occurring, check your email first where I will try to post late practice changes or cancellations by 5:00 pm.
