A SL/GS Hcp shows each racer's best % time differences from a Par time. Hard to beat Par!	It's an average from your best SL & GS races. A SL/ GS Hcp is needed for a new class placement and awards.	At least the top half of qualifiers in each class receive a season award.	Your GS/SL Hcp average must be lower than the Bump Trigger to move up a class.	At the end of the seas all our race times ear season award points based on our finish places as if we were our last class for ever race the whole seaso
