\* Racers 33 and 42 SL/GS Hcp is lower than the SL/GS Bump for their class. By rule Bumps that would have occurred as a result of the 9th, 10th, 11th, and 12th races would happen for the first race of the following season.

Bump handicap triggers will be adjusted after each season to maintain close competition within classes. Next season bump triggers will reflect the 2018 handicaps of the racers currently in those classes.
