**\*** *A racer will not be bumped in the current season based on results obtained in the **last 2 race dates** provided the racer has finished at least 4 races prior to the race in which he/she might be bumped. Bumps that would have occurred as a result of the **last 2 race dates** would happen for the first race of the following season.*

*Bump handicap triggers will be adjusted after each season to reflect current racer SL/GS handicaps and maintain close competition within classes.*
